

PROMOTIONAL BUYING PROGRAM ORDER OVERVIEW

Dear Fundraising Organizer,

Thank you for your interest in our Promotional Buying Program. As you know, our products are setting trends in modern archery technology, design, and quality. We truly appreciate your interest in PSE Archery and Browning Archery.

We support and value the contribution your organization makes to your community of archers and bowhunters. For that reason, we have established a program that will benefit and help your organization achieve its fundraising goals. Our Promotional Buying Program allows you to purchase merchandise at a tremendous discount for raffles, silent auctions, or other fundraising activities.

Due to the large volume of requests we receive each year, we are unable to process requests by telephone. Please fill out the **Promotional Buying Program Form COMPLETELY** and return to the Marketing Department via fax or mail using the contact information below. In addition, please include a letter from your organization explaining your event and goals. An order confirmation will be sent to you within five working days once your order has been reviewed, processed, and full payment has been received.

Our staff appreciates your effort to support and grow our shared interest in archery, conservation, and hunting education. We hope our Promotional Buying Program helps you achieve your goals.

Thank you for your interest and support of PSE Archery and Browning Archery!

Sincerely,
